-  **Mobilize Young People** – Mobilize young people to use their power as asset builders and change agents.
-  **Activate Sectors** – Activate all sectors of the community – such as schools, congregations, youth, businesses, human services and healthcare organizations – to create an asset-building culture and to contribute fully to young people’s healthy development.
-  **Invigorate Programs** – Invigorate, expand, and enhance programs to become more asset rich and to be available to and accessed by all children and youth.
-  **Influence Civic Decisions** – Influence decision makers and opinion leaders to leverage financial, media, and policy resources in support of this positive transformation of communities and society.
